Dear M. Wemberg, 12/31/74

I was not a member of the S. Σ. spy organization and can't write a story about it. I would not dream to get a complete file of the FBI on this affaire just a few xerox copies of highlights. I do not intend to write the story by a historian about; I just need a historian to have access to files. To start with a magazine story would be the most logical. Your advice would be appreciated; to start I need a historian; I pay the copies of the file.

Very truly yr
